

there was no consternation either among the pupils or faculty when the young lady presented her credentials. She came as a pupil and as such was recognized.

The famous Bonine murder trial takes place in this city November 15. Mrs. Bonine's confession will have nothing to do with the case. The government will try to establish her guilt upon stray circumstantial evidence.

Napoleon the last emperor of the French, had as a body guard 50,000 coal black troops. They were Algerians.

Messrs. B. H. Baggett and C. H. Wilson represent the maiden firm in the line of embalming and funeral direction. The office is situated at 1827 L street northwest. They will be glad to see their many friends.

The eighth grade teachers met at the Summer School Saturday morning and discussed the many impediments found in the study of "Word Analysis" from the standpoint of instruction. Mr. John Nalle presided. Misses Miske, Cook, Mittie Shadd, Wheeler, Dyson and Dr. Cardoza gave some very helpful testimonies in the direction showing where difficulty would most likely occur. Though the attendance was somewhat slim, the usual amount of vim and interest were on hand and made the meeting one of the most lively ever held.

With a few places yet unwoven upon the web of human destiny, but more than completed in comparison with the remaining bulk of the world's moving goods Li Hung Chang, perhaps the greatest man of modern thought, has just ended his career, unfinished as it might seem, it would be impossible even to give a rude regie of the honest reforms this remarkable celestial brought about during the flowering period of his success. To him China owes all her western progress, the railroad, the telegraph, the telephone. But his tendency in this direction made him none the less oriental for his love for country and home was comparatively unlimited. His quick action to duty and sharpened sagacity bridged many a chasm that would have otherwise plunged China into a long ungrateful struggle. Li Hung Chang was a close disciple of Confucius, and his stolid devotion to this ancient heathen humanitarian is often mentioned, reminding life most beautiful cardinal principle, universal steadfastness. His going home merely makes fame for his successor.

Again the importance of higher education has been demonstrated. The assignment of Mr. Robert H. Terrell and Mr. Emanuel Heit as new justices of the peace is causing comment far and wide. Regardless of petty prejudices or grievances, these two gentlemen should be welcomed in their new offices with unimpaired warmth. In addition to their legal ability they are graduates of well known college schools of New England. They will receive \$5,000 per annum with \$250 for rent and other contingent expenses.

A contribution "The Summer School" found in the popular magazine, Education fresh from the pen of Mr. Francis L. Cardozo, Jr. should be read by all means. Several valuable hints are given and if properly called would greatly aid others whose desires lean towards the summer instruction of our youth. Mr. Cardoza also gives some very helpful statistics, showing the origin and growth of the Summer schools in the cities where this system flourishes.

The Amphion Glee club's special service of music will be given at the Second Baptist Lyceum Sunday afternoon, Dec. 1, at 3:30 o'clock. Mr. J. Henry Lewis will present a new program and will deliver an address on the work of the Amphion Glee club and its history in music.

Mrs. Martha Stewart, wife of Mr. John Stewart, was buried Sunday afternoon from the Ebenezer Church. Mrs. Stewart was well known in S. E. Washington and a faithful member of the above named church. The funeral services were sad and impressive. The floral tribute were numerous.

A very pretty home marriage was solemnized on F. S. S. W., Tuesday evening, Nov. 12, 1901, the happy pair being Miss Anna Gant and Mr. William H. Garrett. The bride entered the parlor amid the beautiful strains of "Hearts and Flowers," clad in white organdy. Miss Etta Weaver, the bridesmaid, was becomingly attired in white organdy also. Mr. Shanks was best man. Shortly after the ceremony which was performed by the Rev. Jackson of Israel C. M. E. Church, the bridal party and friends gathered around a heavily laden table of delicacies, beautifully arranged by the caterer Mr. E. Murray. Many beautiful and useful presents were received.

News and Comments.

Last week the great northwestern University at Evanston, Ill., broke all previous records by the admission of a young colored woman as a student boarder in one of the dormitories for young women. Only after a prolonged discussion among the members of the Woman's Educational Aid Society, having this particular dormitory in charge, Chapin, Hall, did she receive notice that accommodations were in preparation for her. This is a new step and adds another to the limited advantages the colored youth has in obtaining a cultural education. The young woman is Miss Sarah Ellis of San Antonio, Texas and registered in the Department of music. She is extremely pretty, twenty-two years of age, an accomplished musician and plays the piano with livid transition. She is cultured, modest and graceful. Though it was not known that Miss Ellis was colored until date of admission,

True to a Foolish Vow.
For her marriage, which took place 20 years ago, Mrs. Hester Hester, of Flushing, N. Y., made a vow that she would never pass beyond her front gate. She kept the vow, confining her strolls to her little yard. She never saw a railroad or a trolley car, although both are within a few blocks of her home. Her death occurred recently at the age of 72.
